Customer Problem Statement Template:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
Citizen unable to register complaints easily	Ravi, a common citizen	Report a water leakage issue to the municipal department	I have to visit the office physically or make multiple phone calls	There is no simple online platform to file and track complaints	Frustrated, helpless and ignored
Citizen cannot track complaint status	Ravi, a registered user	Track the progress of my submitted complaint	I receive no updates or notifications after submission	There is no real-time tracking system or communication channel	Anxious, uncertain and dissatisfied
Agent has no organized system to manage complaints	A municipal officer	View and resolve complaints assigned to me efficiently	Complaints come through phone calls and paper forms with no proper system	There is no digital dashboard to manage, update and communicate about complaints	Overwhelmed, disorganized and inefficient
Admin cannot monitor platform activity	A platform administrator	Monitor all complaints, agents and users from one place	There is no centralized dashboard to oversee operations	Complaint data is scattered across departments with no unified system	Lack of control, unable to ensure accountability
